WHY THIS PROPOSAL?

In the last month, we've talked to over 20 scanlation groups, from 1-man teams to 30-member squads, and monitored reader's comments on the scanlation community.

Our conclusion: the scanlation business is not in favor of scanlators.

PROBLEMS

- Lack of acknowledgement towards scanlators
- Lack of support for scanlators, financially and otherwise
- No all-in-one platform for readers to easily find, manage, read, and support scanlator work

Confidential, please do not share without permission

OUR SOLUTION

An all-in-one scanlation directory in Manga Rock, where:

- You manage your own releases
- Readers can find, manage, read series even from their phone
- Readers can easily find you and show support
- We ourselves help support scanlators in need
